## **SUNRISE**

(by Bill Hoeneveld)

As darkness of night, comes to an end,  
A faint orange glow, starts to transcend.  
The clouds in the sky, take on some colour,  
Then hues transform, till they're multicolour.

Crimson and yellow, purples and blue,  
A breathtaking beauty, as the sun shines through.  
Rays strike the Earth, like ribbons on gold,  
The view is amazing, a wonder to behold.

A glow of warmth, accompanies the light,  
A new day begins, with this glorious sight.  
We are truly blessed, each and every day,  
Take time to look, and savour God's buffet.
